Hymel is very easy and pleasant to use. Just breathe it through the little inhaler that comes with every outfit; every breath will bring recovery so much the nearer. It kills all the germs of catarrhal troubles in the air passages of the head, throat and lungs, soothes and heals the inflamed membrane, and is the only natural cure for catarrh.

The complete outfit costs but one dollar, and extra bottles of Hymel can be obtained for fifty cents. Do not let a slight catarrhal trouble develop into one that may be serious and chronic. Use Hymel at once, remembering that you run no risk whatever when you try Hymel on Henry Evans' offer of "No cure, no pay."
